Emsisoft Anti-Malware

The ultimate weapon against all Internet threats.

Feature highlights

Antivirus & Anti-Malware
Scans faster with two detection engines than most products do with just one.

**Four-layered real-time protection**
Surf Protection, Dual Engine File Guard, Behavior Blocker and Anti-Ransomware ensure optimum protection.

Easy to use interface
A simple yet efficient anti-malware that completely protects your digital life.

Removal of Potentially Unwanted Programs
PUPs are not dangerous per se, but come bundled with annoying ads and toolbars that slow down your computer. You can tell Emsisoft Anti-Malware to remove those for you.

Dual engine   **4 protection layers**

Surf Protection
Blocks access to known fraudulent and dangerous websites to avoid phishing and accidental malware downloads.

300.000 new threats every day

Real-time File Guard
Constantly scans all downloaded and executed files, using two scanners and more than 10 million detection patterns.

Behavior Blocker + Anti-Ransomware
Prevents new, sophisticated malware attacks that others can't protect you from – optimized against zero-day attacks and ransomware behavior.
